

IB MYP Assessment Procedures 2014-15

This document describes how teachers determine the award of overall MYP subject grades and the descriptors for these grades.

MYP students receive overall subject grades and their Personal Project grade in the range of 1 to 7. The general IB grade descriptors indicate the achievement required for the award of each of the subjects. Teachers determine these grades by taking the aggregate of a student's individual criterion scores based on the grade boundaries below.
