### JUNIOR ACTING ANTICS

Experience great fun through singing, movement, story telling & dramatic play while improving thinking and speaking in clear expressive English, vocabulary, motor skills, co-ordination, socialization skills and confidence. All students participate in costumed performances throughout the year. Performance outcomes are complimented by a comprehensive curriculum and resource books & bags.

### PERFORMANCE SINGING

This exciting program is for those students that love to sing & perform, but don't want individual singing lessons. Performance singing is all about singing with style & confidence & communicating to an audience what a song is about. Classes focus on pitch, tone, timing, rhythm, breathing, projection, diction and expression. Acting & movement skills are an integral part of these classes & all students perform in costume at the end of Season 1 and 2.

### PERFORMANCE DRAMA

Performance Drama classes encourage and empower students to explore their creative and dramatic potential while learning to read, think and speak in clear expressive English. Curriculum covers communication skills, the actor's voice, movement & mime, improvisation, characterisation, stagecraft, the audition process and two fully costumed performance outcomes each year where every student gets a role with dialogue. Curriculum is complimented by a level related course book and scripts.

**Disclaimer:** While these activities are being held at the schools, Renaissance College, Kennedy School, Anfield School and Discovery College do not guarantee the quality of 3rd party programs and providers. We urge parents to carefully interview and check references before enrolling. Distribution of materials is simply for informational purposes and does not constitute a recommendation or endorsement.
