Drop off times may vary by 5 to 10 minutes. Students and parents should be ready at their bus stop at least five minutes prior to the pick-up and drop-off times.

The above routes, pick-up/drop-off points and times are subject to change with prior notice provided.

Please email buses@discovery.edu.hk should you have any enquiries.

NOTES

The above schedule shows the bus routes for the academic year 2017/18 based on the indicated demand from responses received from families.

This is the only authorised Discovery College school bus service.

Should you need different drop-offs on any given day during the school year, please email buses@discovery.edu.hk with more than 24 hour notice, or call the school on 3969 1000 and your instruction will be noted on the bus register. Only parents or guardians can make such arrangements. We will not accept requests directly from students.

In the morning, students using the authorised buses will be collected at the allocated bus bays which may only be used by authorised Discovery College school buses and accompanied through Siena Park by school staff. Students will also be escorted back through the park at the end of school to board the bus home.

Discovery College will be responsible for safety and discipline on the authorised Discovery College school buses only.

A Bus Coordinator is provided to ensure that parents and guardians have a single point of contact. The Bus Coordinator will manage the smooth running of the authorised Discovery College school bus and communicate on policies and procedures, safety issues and readily respond to any of the concerns as a parent or guardian.

Discovery College, Discovery College employees, Discovery College PTA and the Bus Coordinator do not endorse or take any responsibility for other transport services used in getting to and from the school and cannot take any involvement in the management of such services.
