

School-wide expectations of all staff

- Support the school's mission, vision and values
- Work to achieve the outcomes described in school documentation, including the School Development Plan
- Support colleagues by contributing to an environment where teamwork is promoted and practiced.
- Focus on improved student outcomes in all areas and through every discussion, initiative, programme or approach
- Model professionalism of the highest standard
- Maintain high expectations of yourself
- Develop and maintain open and effective lines of communication with colleagues, students and stakeholders, both formally and informally
- Demonstrate a commitment to personal professional growth
- Build and develop strategic partnerships/key relationships within the school and wider community
- Manage resources within delegated authority and budgets
- Create a learning community in which all members have a desire to inquire, evaluate and challenge thinking
- Demonstrate the concepts of internationalism and intercultural understanding
- Contribute to the wider ESF community through meeting contributions and attendance, participation on working parties, supporting colleagues, liaison across schools, etc
- Use initiative/be accountable
