Departure and Arrival

Drop-off time in the afternoon may vary by 5 to 10 minutes. Parents/Guardians must be at the pick-up/drop-off point **5 minutes** prior to the arrival of all buses.

The above routes, pick-up/drop-off points, and timings are subject to change with prior notice provided to parents/guardians.

Please email buses@discovery.edu.hk should you have any enquiries.

NOTE

The above schedule shows the bus routes for the academic year 2019-2020 based on the indicated demand from responses received from families.

“Eastway Travel Company Limited” is the only authorised Discovery College school bus service.

Should you need a different pick-up/drop-off point during the school year due to change of residential address, parents/guardians are requested to email the **DCPTA Bus Coordinator** on buses@discovery.edu.hk. No requests should be made through our bus escorts.

In the morning, students using the authorised buses will be collected at the allocated bus bays as indicated on the schedule. The pick-up/drop-off bays have been designated/authorised only for Discovery College school buses.

All bus riders are accompanied through Siena Park by our bus escorts in the morning, and pick-up from school in the afternoon to board their respective buses for the home bound.

Discovery College will be responsible for the safety and discipline on all authorised Discovery College school buses.

A Bus Coordinator is provided to ensure that parents and guardians have a main point of contact. The Bus Coordinator will manage the smooth running of the authorised Discovery College school buses, and communicate on policies and procedures, safety issues, and will readily respond to any concerns from parents or guardians.

Discovery College, Discovery College employees, Discovery College PTA, and the Bus Coordinator do not endorse, or take any responsibility for any other form of transport arrangements/services used by parents in getting their child/children to and from school, and will not take part in any involvement in the management/arrangement of these services.
