

Class Parent Representative

Across the year, the CPRs perform a range of tasks, including supporting the teacher, organising community events for your children, helping at school fundraising opportunities and connecting with families in many ways to support students and parents across the year.

When speaking to the CPRs about the role I often hear:

"It is a great way to be connected to my child's education"

"The opportunity to connect with other parents is great"

"It is nice to see the smiles on the children's faces when we run the events"

The Role Class Parent Reps (CPR)

Class Parent Representatives (CPR) for every class, preferably two.

The role of the CPR is an important one but not one that requires a large commitment of time. CPR coordinators will **meet once a month**. We would kindly ask that parents who put their name down to support, commit to this morning meeting. This will run for no longer than an hour over a coffee.

Each year our CPRs organised two or three key events for the families of their child's year level. These are things such as a water play afternoon, a disco or a movie night. CPRs also assist during events such as the School Concert/Family Funday and support the class teachers in various ways.

We would love to see as many parents as possible support this role, it is one that is very much appreciated by the school and community as a whole.

If you are interested please click [HERE](#) and complete your details.

Please click [HERE](#) to read the role and responsibilities of the CPR.

We will be in contact with you if you express an interest before the beginning of the school year 12 August 2020.

Kind regards

Chris Barr
